LAXATIVE for Aged People

THE BANE of old age is constipation. The bowels become weak and unable to perform their functions without aid. For this purpose only the mildest and gentlest laxative should be used. The use of harsh cathartics aggravates the trouble and makes the constipation worse. Chamberlain's Tablets are a favorite with people of middle age and older on account of their gentle action.

Sour Stomach

This is a mild form of indigestion. It is usually brought on by eating too rapidly or too much, or of food not suited to your digestive organs. If you will eat slowly, masticate your food thoroughly, eat but little meat and none at all for supper, you will more than likely avoid sour stomach without taking any medicine whatever. When you have sour stomach, take one of Chamberlain's Tablets to aid digestion.

Look Here For It

Many a Wauseon Reader Will Be Interested

When people read about the cures made by a medicine indorsed from far away, it is surprising that they wonder if the statements are true? But when they read of cases right here at home, positive proof is within their reach, for close investigation is an easy matter. Read Wauseon indorsement of Doan's Kidney Pills.

Levi Hoy, retired R. F. D. carrier, N. Fulton St., says: "Too frequent action of my kidneys, accompanied by a burning sensation, caused me much annoyance and distress. Short use of Doan's Kidney Pills completely removed all signs of the complaint. I got Doan's Kidney Pills at Fink & Haumesser's Drug Store, and I take pleasure in indorsing them." (Statement given November 27, 1911.)

Still Uses Doan's
On February 28, 1917, Mr. Hoy said: "I am still a strong indorser of Doan's Kidney Pills, for they have never failed to do me good. When I feel that I am going to have another attack of backache or disordered kidneys, I use Doan's Kidney Pills."

IMPORTANT NOW
(Continued from page 1)

crop does not use is available for the succeeding crop with practically no loss.

It is extremely important that every effort be put forth to raising a record wheat crop next year. Some farmers will be able to increase their acreage, some will not, but all can make a supreme effort to increase the yield per acre, and it is earnestly hoped that the farmers of Fulton county will give the above careful consideration.

MILK THE BEST FOOD

The U. S. Food Administration is issuing Food Leaflet No. 11, which is devoted exclusively to milk as an article of diet. It states that milk is the best food for infants, and urges its use, especially for children. A quart a day for every child, if possible; a pint without fail, and a third of a quart for each adult.

Emphatic points in the leaflet are: Milk helps children to grow and to keep well. Milk is the chief food for time; it furnishes the body building protein as well as fuel for the body and is a much cheaper fuel than meat or eggs. Skim milk is good food containing the lime, protein, and sugar without the fats. In addition to milk, children need vegetables, fruits and cereals.

BEST IN THE LONG RUN

Who Began Trench Warfare?

THE trench, which always encircled the Roman castra, or camp, was brought to France by Julius Caesar and used by him on the very battlefield where to-day the Allies and the Huns have 25,000 miles of trenches.

With rings of trenches, gradually drawn smaller, probably the first modern trench warfare, the Turks in 1667 took Candia.

• Vauban, builder of Verdun, in 1673 employed the first parallel trenches, the system of the present war.

Defeat, not foresight, turned the Germans to trench warfare. But Goodrich never had to dig in.

Since twenty-two years ago Goodrich manufactured the first American pneumatic automobile tire, Goodrich has driven ahead to the big, graceful, masterful—

GOODRICH SERVICE VALUE TIRES

But whether Goodrich was revolutionizing tire manufacture by bringing forth the first American clincher tire—

Or originating the one practical non-skid, the cross-bar, safety-tread, or tough black tread rubber—

Goodrich built tires to one end—SERVICE VALUE—what they are worth to the motorist on his car and on the road in COMFORT of an easier riding car—ECONOMY in gasoline saved,—and LONG MILEAGE.

Small difference whether you buy GOODRICH SILVERTOWN CORDS, or BLACK SAFETY TREADS, you get SERVICE VALUE TIRES.

Remember me to all of the folks who should inquire and tell Uncle Harmon when he goes down to Columbus as state representative.
